

The Regional Water Quality Control Board, Santa Ana Region  
and the  
South Coast Resource Conservation Development Area Present:

# Industrial Storm Water Permit Compliance Workshop

## Workshop Description:

The Industrial Storm Water Permit Compliance Workshop will provide an introduction to the National Pollutant Discharge Elimination System (NPDES) General Permit for Industrial Activities and is designed for individuals who are responsible for Industrial General Permit compliance. County and city regulatory staff and consultants may also benefit from this workshop. A broad range of topics will be discussed, including:

- NPDES General Permit for Industrial Activities
- Storm Water Pollution Prevention Plans
- Implementation of Best Management Practices
- Monitoring requirements
- Storm water sampling
- Civil lawsuit liability
- Compliance inspections
- Penalties for non-compliance
